Chem-spin Scraper Rotary Tools for Round Bottom Flasks

These tools provide an easy method of removing the majority of desired, dried-on solids from the interior walls of round bottom flasks. Motor driven, the spinning chain rapidly and effectively brushes the surface as the loose solids collect on the bottom. Minimal physical effort required. Tedious, time-consuming, manual scraping with a spatula is eliminated.

Chem-spin Rotary Scraper Tools - 7 Sizes Now Available

Description	Part No.	Price
For 100mL Round Bottom Flasks	CG-1981-C100	48.96*
For 250mL Round Bottom Flasks	CG-1981-C250	48.96*
For 500mL Round Bottom Flasks	CG-1981-C500	48.96*
For 1000mL Round Bottom Flasks	CG-1981-C1000	49.98*
For 2000mL Round Bottom Flasks	CG-1981-C2000	52.02*
For 3000mL Round Bottom Flasks	CG-1981-C3000	57.12*
For 5000mL Round Bottom Flasks	CG-1981-C5000	57.12*

Rotary Tool Motors with 12v Lithium-ion Batteries

Motor with 2 Batteries	CG-1981-C-20	137.70*
Motor with 1 Battery	CG-1981-C-21	90.95*
Spare Battery Only	CG-1981-C-22	51.20*

Borosilicate Glass ‡ Bushing Adapters with ‡ 14/35 Inner Bores

‡ 24/40 Inner Joint	CG-1016-05	33.55
‡ 29/42 Inner Joint	CG-1016-08	39.75

Patent pending design.
